Welcome Message

It is my pleasure to welcome you to Coloproctology 2016 to be held in the capital city of Kuala Lumpur.

The Organising Committee has put in great efforts to plan an interesting programme for the benefit of everyone. Common day-to-day surgical conditions as well as specialised areas in colorectal surgery and advances in colorectal surgery will be covered in this conference.

The pre-congress workshop will address common colorectal procedures as well as newer horizons in colorectal surgery. Particular emphasis has been given to advances in laparoscopic colorectal procedures using latest technologies.

Along with renowned Malaysian faculty, internationally well-known colorectal surgeons have been invited to share their knowledge and expertise during this meeting.

The scientific programme, I am certain, will benefit general surgeons, colorectal surgeons, trainee surgeons as well as those pursuing subspecialty in colorectal surgery.

This three-day conference will give ample opportunities to our members to interact with faculty members, exchange ideas and update our knowledge.

Amidst this three-day hectic meeting, I do hope our foreign participants and faculty will find some time to explore this culturally rich city of Kuala Lumpur.

I would like take this opportunity to express my sincere gratitude to my fellow committee members for their support and untiring efforts in putting this programme together.

Dr M Sarkunnathas

*President, Malaysian Society of Colorectal Surgeons (MSCRS) &
Organising Chairman, Coloproctology 2016*

Malaysian Society of Colorectal Surgeons Office Bearers 2015 – 2017

Certificate of Participation

A certificate of participation will be issued to all delegates.

Liability

The Organising Committee will not be liable for personal accidents, loss or damage to private properties of participants during the Congress. Participants should make their own arrangements with respect to personal insurance.

DISCLAIMER

Whilst every attempt would be made to ensure that all aspects of the Convention as mentioned in this publication will take place as scheduled, the Organising Committee reserves the right to make last minute changes should the need arises.

Best Poster Award

The Best Poster is for the best original scientific or clinical paper submitted by young surgeons in Malaysia for presentation at the Coloproctology 2016. This award will hopefully encourage a high standard of research and scientific presentations among young surgeons.

The Prize

There will be three (3) Best Poster Awards:

- 1st Prize – RM1,000
- 2nd Prize – RM750
- 3rd Prize – RM500

Regulations

1. The competition is open to all young surgeons and surgical trainees currently working in Malaysian institutions who are below 35 years old as on 1st January 2016.
2. The work submitted may be from any surgical specialty, and it may take the form of clinical trials, surveys, retrospective studies, laboratory experiments or any other form of unpublished original work.
3. The bulk of the work which are submitted must be performed by the author himself/herself even though he may have done the work in conjunction with other doctors or agencies either locally or overseas. However, the work must be carried out in Malaysia.
4. The author must submit a signed declaration of his/her age, that his/her paper has not been published or presented elsewhere and the presenter has done most of the work.
5. The abstracts for poster presentation are to be submitted online at **www.colorectalmy.org**
6. The closing date for receipt of abstracts is **15th January 2016**.
